

Erlanger East

East ED:

Go to the ED lobby and the ambassadors will take them to the charge nurse who can show them the time clock, unit tour and meet up with the preceptor.

East ICU:

Enter into Building A lobby entrance (which is past ED lobby) and take the elevator. ICU is on 2nd floor. Pick up phone and ask to be let back and go to nurse's desk and ask for preceptor or charge nurse.

East Med/Surg Floors:

Enter into Building A lobby entrance (which is past ED lobby) and take the elevator. Telemetry is on 2nd floor, med/surg is on 3rd floor. Go to nurse's desk and ask for preceptor or charge nurse.

General Info:

The Adult side is building A and has ED and patient tower. About a block down is Building B entrance which is the women's area plus some MD offices.

- A- Adult
- B- Baby

It is not two separate buildings, surgery is in the middle but it is easier to explain when its labeled that way- bottom line- **be sure you enter Building A!**

There is an ambassador desk in the lobby if you get lost 😊
