

Printing Your TCPS Quiz Transcript

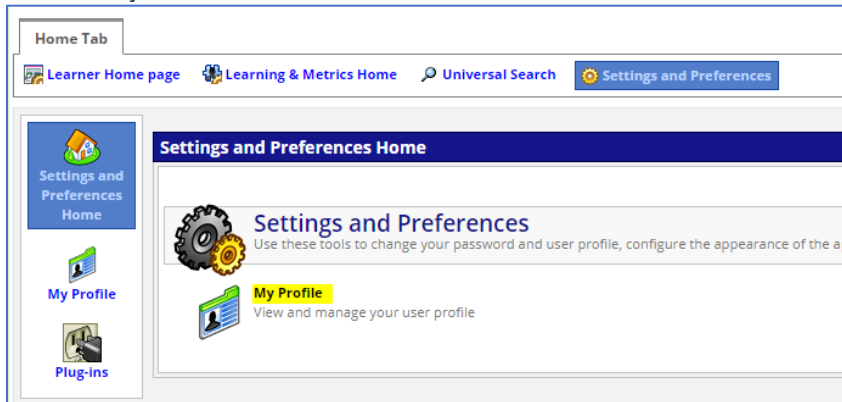

NOTE: If you need to print your quiz completion certificates, there are instructions online that will walk you through that process for all active quizzes. <https://tcps-tn.org/reprinting-a-quiz-certificate/> This will ONLY work for the current academic year quiz completions.

If you need to print your complete transcript that includes all quiz completions within the TCPS system for your user account, log into the quiz management system and follow these steps:

1. Click on the Settings & Preferences tab

2. Click on My Profile

3. Click on the Learning Transcript tab - you should now be able to see your list of completed quizzes.

4. In the upper right-hand corner of the screen, click on PRINT

5. Your transcript will be available to print.
